

Pool Registration for Highlands at Stonegate Residents

As a Resident of The Highlands at Stonegate, you are able to use the recreational facilities of the Stonegate Village and Lincoln Park Metropolitan Districts. These districts have swimming and tennis facilities. In order to access the swimming pools residents must complete the online registration process. More information about the pools and registration please visit: www.mpmrecreation.com (click on Stonegate Village to the left and go to pool registration).

The online registration requires a water bill #. Since the HOA is responsible for the water, residents at The Highlands have to enter a different number. The service address is your actual address and the water bill # is the number portion of your address combined with a # sign and the unit's number.

Below you will find examples on what is needed for the online registration:

Example #1

Address: 9876 Amison Circle #111

Water Bill #: 9876#111

Example #2
